Location

Roses (Spanish: Rosas) is located in the northern part of the Costa Brava in Catalonia, Spain, and belongs to the province of Girona. The town lies in the Alt Empordà region on the Gulf of Roses, beautifully nestled between the Mediterranean Sea and the foothills of the Pyrenees. It is dominated by the 230-meter-high Puig Rom. The historic old town, with its narrow streets, small shops, and traditional bars, invites visitors to stroll and explore. The wide sandy beach stretches for nearly three kilometers and is complemented by picturesque coves such as Canyelles Petites, Almadrava, and Cala Montjoi. Whether it's a seaside apartment or a house with panoramic views - Roses offers comfortable accommodations and the authentic charm of the Costa Brava...
