Location

Pals is one of the most beautiful small towns in the Costa Brava hinterland. Its medieval old town, with narrow streets, the Torre de les Hores, and the Sant Pere church, sits on a hill offering stunning views to the coast and the Illes Medes islands. The charming yellow sandstone shapes the town's character. Just a few kilometers away is the long sandy beach of Platja de Pals, offering a variety of water sports and beach bars. Pals combines historic charm, Mediterranean village life, and attractive leisure options—perfect for peace and relaxation near the coast..
